Quarterly Report

Overview

We rebuilt the engine and shipped
three features across platforms
this quarter with fewer errors.

The team also improved loading times
and fixed the hyphen bug together.

Details

The conversion demon-
stration works well.

- First point follows
- Second point with a wrap
  tail for the second item

1. Install the tool
2. Configure options
3. Run everywhere

Costs rose *sharply* in `Q3` [see table] <est> only

a*b stays literal and clean

#hashtag channel is active

> quoted intro line stays

1. Appendix

Second page content for rules.
